PROJECTS

Portfolio Website (<https://kabir-asija.github.io/Portfolio/>)

HTML | CSS | JavaScript

A Portfolio Website to showcase my skills, projects and achievements.

- A clean, user-friendly design with modern UI principles.
- Intuitive layout for easy exploration of projects and skills.
- Optimized for mobile and desktop devices for accessibility.

Gif Search App (<https://kabir-asija.github.io/Gif-Search-App/>)

HTML | CSS | JavaScript

A dynamic GIF search application built with HTML, CSS, and JavaScript.

- Utilizes the Giphy API for real-time GIF search functionality.
- Users can easily find GIFs by keywords.
- Allows users to copy the direct link of their favorite GIFs.

E-commerce shop (<https://kabir-asija.github.io/ShopEase/>)

HTML | CSS | JavaScript

An interactive E-commerce web application for browsing and purchasing products online.

- Sleek, responsive design with a modern and professional storefront interface.
- Integrated product catalog with categories, search, and filters for seamless navigation.
- User authentication, shopping cart, and order management for a complete shopping experience.

SKILLS

Languages & Databases: Java, JavaScript, MongoDB

Frameworks & Libraries: Bootstrap Tailwind, Nodejs, React

Tools & Platforms: Git, Github

WORK EXPERIENCE

Front-End Developer(Intern) | IBM

July 2024 - Aug 2024

- Gained hands-on experience in building responsive, user-friendly interfaces using HTML, CSS and JavaScript.
- Strengthened front-end development skills through exposure to industry best practices and real-time project implementation at IBM.
